Cancellation Policy

Registrants are responsible for canceling their own registrations. All event refunds are issued to the registrant only and are NOT put back in to the registrant's bank account or credit card. Refunds will be mailed to the registrant

The cancellation policy is designed to help us lower event costs. Advance planning allows us to negotiate with vendors and make commitments in exchange for extra benefits and lower costs. Your registration and payment assumes you are committed to attending the event. Renting facilities and securing insurance coverage for an event entail's a major financial commitment for our club.

- b. 7 days in advance of the event will result in a penalty of 95% of the cost of the event, and thus a 5% refund.
- c. 72 hours or less will result in a penalty of 100% of the cost of the event.
